FROM THE CEO

Dear GlobalTech Team,

As we approach the midpoint of 2026, I'm pleased to share that our company continues to demonstrate strong performance across all business units. Our Q1 results exceeded expectations, and we're on track for a record year.

This month, I want to highlight our commitment to innovation and the incredible work our teams are doing to bring new solutions to market. The Digital Transformation Initiative is progressing well, and we're seeing early positive results from our cloud migration efforts.

Thank you for your dedication and hard work. Together, we're building something special.

Best regards,
Michael Chen
Chief Executive Officer

COMPANY NEWS

Q1 Financial Results Exceed Expectations

GlobalTech reported Q1 revenue of \$285 million, representing a 12% increase year-over-year. Operating margin improved to 18.5%, up from 16.2% in Q1 2025. Strong performance was driven by our enterprise software segment and international growth.

New Office Opening in Singapore

We're excited to announce the opening of our new Singapore office, which will serve as our Asia-Pacific headquarters. The 50,000 square foot facility will house 200 employees and features state-of-the-art collaboration spaces. A grand opening celebration is planned for June 15.

Sustainability Initiative Launch

GlobalTech has launched a comprehensive sustainability initiative with the goal of achieving carbon neutrality by 2030. Key initiatives include renewable energy adoption, waste reduction programs, and sustainable product design. Employees can participate through the new Green Team volunteer program.

EMPLOYEE SPOTLIGHT

Employee of the Month: Sarah Johnson

Sarah Johnson, Senior Software Engineer in our Seattle office, has been named Employee of the Month for May. Sarah led the development of our new AI-powered customer service platform, which has already reduced response times by 40%. Her colleagues praise her technical expertise and collaborative approach.

Years of Service Milestones

Congratulations to the following employees reaching service milestones this month:

- 5 Years: Maria Rodriguez, David Kim, Jennifer Adams
- 10 Years: Robert Thompson, Lisa Wang
- 15 Years: William Harrison
- 20 Years: Patricia Evans

TEAM UPDATES

Digital Transformation Team

The Digital Transformation Initiative Phase 1 is 60% complete and on track for July go-live. The team has successfully migrated 25 applications to the cloud and implemented new data analytics capabilities. Special thanks to the entire team for their dedication to this critical project.

Sales Team Achievement

Our North America sales team achieved 115% of Q1 target, led by outstanding performance in the healthcare and financial services verticals. The team has implemented a new customer engagement platform that has improved conversion rates by 25%.

Research and Development

The R&D team has filed 12 new patent applications this quarter, focused on machine learning, cybersecurity, and cloud computing innovations. Three of our researchers have been invited to present at the International Conference on AI in October.

TRAINING AND DEVELOPMENT

New Learning Platform Launch

GlobalTech Learn, our new online learning platform, launched this month with over 500 courses available to all employees. The platform features personalized learning paths, skill assessments, and certification programs. All employees are encouraged to complete the platform orientation by June 30.

Leadership Development Program

Applications are now being accepted for the 2026-2027 Leadership Development Program. This 9-month program is designed for high-potential employees looking to advance their careers. Application deadline is June 15.
