HUMAN RESOURCES POLICY

=====

Policy Number: HR-001
Policy Title: Remote Work Policy
Effective Date: March 1, 2026
Review Date: March 1, 2027
Owner: Human Resources Department

PURPOSE

This policy establishes guidelines for remote work arrangements at GlobalTech Corporation to ensure business continuity, employee productivity, and work-life balance while maintaining collaboration and team cohesion.

SCOPE

This policy applies to all regular full-time and part-time employees of GlobalTech Corporation.

ELIGIBILITY

Employees eligible for remote work must:

- Have completed at least 90 days of employment
- Have a performance rating of "meets expectations" or higher
- Have a role that can be performed effectively outside the office
- Have manager approval
- Have a dedicated workspace with reliable internet access

Roles not eligible for remote work include but are not limited to:

- On-site IT support staff
- Facilities management
- Reception and administrative support requiring physical presence
- Laboratory or manufacturing positions

REMOTE WORK ARRANGEMENTS

Full-Time Remote

Employees may request full-time remote work if their role is suitable and business needs can be met. Approval is at manager discretion based on role requirements and team needs.

Hybrid Remote

The standard hybrid arrangement is 2-3 days in the office per week. Specific schedules are determined by the manager in consultation with the employee.

Temporary Remote

Temporary remote work may be approved for:

- Short-term personal situations (up to 2 weeks)
- Health-related circumstances
- Business travel
- Special projects

Manager approval is required for all temporary remote work arrangements.

EQUIPMENT AND TECHNOLOGY

Company-Provided Equipment

- Laptop computer
- Monitor
- Keyboard and mouse
- Headset
- Other role-specific equipment as needed

Employee Responsibilities

- Maintain company equipment in good condition
- Use company equipment primarily for work purposes
- Report equipment issues promptly to IT
- Return equipment upon separation or arrangement end

Internet and Connectivity

- Employees must have reliable high-speed internet (minimum 25 Mbps download)
- Company provides monthly internet stipend of \$50 for full-time remote employees
- VPN access required for secure remote access

WORKSPACE REQUIREMENTS

Employees working remotely must:

- Have a dedicated workspace free from distractions
- Ensure workspace is ergonomically appropriate
- Maintain a professional environment for video calls
- Protect confidential company information
- Comply with data security policies

PERFORMANCE EXPECTATIONS

Remote employees are expected to:

- Maintain the same performance standards as in-office employees
- Be available during core business hours (10 AM - 3 PM local time)
- Respond to communications within established service level agreements
- Participate actively in virtual meetings and collaboration
- Meet deadlines and deliverables as expected

COMMUNICATION AND COLLABORATION

Availability

Remote employees must be available during their scheduled work hours and responsive to team communications.

Meetings

Remote employees are expected to attend all required meetings virtually. Camera use is encouraged for better engagement.

Team Building

Remote employees should actively participate in virtual team-building activities and company events.

SECURITY AND CONFIDENTIALITY

Data Security

- Use company-issued devices for work
- Connect through company VPN when accessing company systems
- Follow all information security policies
- Report security incidents immediately

Confidential Information

- Protect confidential information in home workspace
- Use secure methods for document sharing
- Do not discuss confidential matters in public spaces
- Follow data retention and disposal policies

EXPENSE REIMBURSEMENT

Reimbursable Expenses

- Internet service: Up to \$50/month for full-time remote employees
- Office supplies: Up to \$50/month with manager approval
- Ergonomic equipment: One-time reimbursement up to \$500 with prior approval
- Home office furniture: Not reimbursable

Expense Submission

All expenses must be submitted through the company expense system within 30 days of incurrence with appropriate documentation.

TAX AND COMPLIANCE

Employees are responsible for:

- Complying with local tax requirements for remote work
- Maintaining appropriate insurance for home workspace
- Following local regulations regarding home-based work
- Notifying HR of changes in remote work location

MONITORING AND COMPLIANCE

Compliance

All remote work arrangements are subject to periodic review to ensure continued alignment with business needs and policy requirements.

Performance Monitoring

Remote employee performance is monitored through the same performance management process as in-office employees.

Policy Violations

Violations of this policy may result in modification or termination of remote work arrangements and/or disciplinary action.

APPROVAL PROCESS

Request Submission

Employees submit remote work requests through the HR portal with:

- Proposed work arrangement (full-time, hybrid, or temporary)
- Business justification
- Proposed schedule
- Equipment needs

Manager Review

Managers review requests based on:

- Role suitability
- Team needs
- Performance history
- Business requirements

HR Approval

HR reviews approved requests for compliance with policy and maintains records of all arrangements.

MODIFICATION AND TERMINATION

----- Modifications

Remote work arrangements may be modified at any time by the company based on business needs, performance, or policy changes.

Termination

Remote work arrangements may be terminated by the company at any time with notice to the employee. Employees may also request to end their remote work arrangement with manager approval.
